

Marine Trades

One Policy. Full Sail.
No Gaps.

Marine Trades Package

Marine trade risks don't operate in silos, but coverage often does. CNA's Marine Trades Policy brings interconnected exposures together in one comprehensive solution to help reduce coverage gaps and placement complexity.

CNA's Marine Trades package combines three core coverages into a single policy:

- Property
- Commercial General Liability
- Marine Liability

Together, they tailor to the operational risks of marine contractors, repairers, terminal operators, and other marine-related businesses.

Key Coverage Features

Marine liability, including:

- Commercial General Liability
- Ship Repairers
- Stevedores
- Terminal Operators
- Wharfingers Liability
- Marina Operators
- Protection and Indemnity
- Sudden and Accidental Pollution
- Non-Owned Automobile

Property Insurance, including:

- Buildings
- Equipment and stock
- Piers, wharves and docks,
- Hull & Machinery
- Contractor's Equipment
- Ship Builders

Why Choose CNA?

One integrated policy

Property, Marine Liability, and Commercial General Liability written together in a single packaged solution, eliminating coverage gaps and multi-carrier placement challenges.

Purpose-built for Marine Trades risks

Coverage specifically designed for the realities of marine-related operations, including:

- Contractors Equipment coverage extends to both land and waterborne
- CGL includes no waterborne exclusion
- Up to 25% of non-marine revenue included

Written on CNA paper

A Canadian market solution with strong governance and regulatory alignment, backed by the financial strength of an A+ (AM Best) rated carrier.

Canadian underwriting expertise with full authority

Canadian market wordings and local decision-making authority to move from opportunity to placement without handoffs or delays.

Dedicated, in-house Canadian claims handling

Claims managed entirely in Canada, with local settling authority, ensuring responsiveness and continuity.

Built-in Risk Control support

Tailored marine risk control resources, including surveys, when required, for Hull & Machinery and Piers, Wharves, and Docks, provided at no additional cost to the Insured.

Seamless fit within your existing CNA relationship

This program is accessed through your existing CNA broker contract, supporting service expectations and efficient placement without additional agreements or onboarding.
