

Cyber

# eRiskHub®

Building a defense against evolving and varied cyber threats requires the right cybercrime mitigation tactics and attack response recommendations. CNA cyber policyholders receive access to eRiskHub®, an online web portal powered by NetDiligence®, loaded with tools and resources to help them understand their exposures, respond effectively and minimize the effects of a breach on their organizations.

## eRiskHub® Features and Benefits

- **Incident Roadmap** – Includes suggested steps to take following a network or data breach incident
- **News Center** – Cyber risk stories, security and compliance blogs, security news, risk management events and helpful industry links
- **Learning Center** – Best-practice articles, whitepapers and webinars from leading technical and legal practitioners
- **Security Training** – Vital cybersecurity awareness training resources to help create a security and privacy-centric organizational culture
- **Risk Manager Tools** – Assists in managing cyber risk including a self-assessment and state breach notification laws
- **eRisk Resources** – A directory to quickly find CNA-approved external resources with expertise in pre- and post-breach disciplines

## Crisis Center and Claim Reporting Capabilities

The eRiskHub® portal also serves as a cyber crisis center, providing policyholders with the information and technical resources they need to respond quickly and effectively to a data breach, privacy violation or other cyber incident. Should an incident occur, eRiskHub® also provides policyholders with CNA claim reporting contact information.

## About CNA CyberPrep

CNA CyberPrep is available to all CNA cyber policyholders and is built on nearly two decades of cyber insurance expertise. CNA CyberPrep is a proactive program of cyber risk services designed to aid CNA cyber policyholders in cyber threat identification, mitigation and response.

**Registration instructions are provided with your CNA Cyber policy.** If you have any questions please contact your CNA Cyber underwriter.
