NOTICES

Please note that the insurance coverage to which this Application applies provides that the policy limit available is reduced by amounts incurred for legal defence costs and expenses and may be completely exhausted by such amounts. CNA will not be liable for any defence costs or expenses, nor any settlement or judgment amount after the exhaustion of the policy limit. Please also note that amounts incurred for defence costs and expenses will be applied to the applicable retention. This Notice is subject to the provisions of the Quebec Civil Code where applicable to an issued policy.

Providing information about a claim or potential claim in response to any question in any part of this Application does not create coverage for such claim or potential claim. The Applicant's failure to report to its current insurance company any claim made against it during the current policy period, or to report any act, omission, or circumstance of which the Applicant is aware that may give rise to a claim, before expiration of the current policy, may create a lack of coverage.

Please note that the submission of a completed, signed Application does not result in an obligation to purchase insurance or an obligation by the insurance company to bind insurance.
