

CNA's experienced and knowledgeable professionals have the expertise to address the specific risks food manufacturers face. Our broad portfolio of products offers a variety of standard business insurance coverages needed to protect your client's business, such as property, casualty, automobile, inland marine and umbrella. Your local CNA underwriter combines broadened coverages and policies with the territorial knowledge and the decision-making authority to create customized solutions that are vital to the continued operation of a food processing business.

Target Classes

- Bottling, cans, plastic, glass, carbonated and non-carbonated
