# Our winning client proposition

## Specialist Underwriting

We specialize in property and casualty insurance products in the Construction, Financial Institutions, Healthcare, Life Sciences, Manufacturing, Mining, Oil & Gas, Power Generation, Professional Services, Real Estate, Renewable Energy, Technology and Transport & Logistics sectors.

We provide insurance solutions in response to our policyholders' emerging exposures and evolving needs, and offer a flexible approach enabling us to consider complex and unusual risks.

We underwrite controlled master programs and provide Travel assistance via our CNA Companion Services®.

## Expert Risk Control

Businesses trust us because we understand the intricacies of the risks they face.

Our Risk Control consultants hold professional qualifications in the sectors where we operate and support policyholders by minimizing risk across their business.

We believe that prevention is better than cure, which is why we not only provide best-in-class Risk Control consultancy but also create effective risk management programs, undertake on-site and remote loss prevention surveys, and deliver tailored training.

## Client-led Claims

Our Claims team is ready to work with you quickly, openly and efficiently to achieve resolution in the shortest possible time and with the best possible outcome.

We have specialists in every class of business so that each and every claim, no matter how large or small, how simple or complex, gets immediate attention from the right people in the right place at the right time.

We recognize the importance of reputation and will act swiftly to support you in resolving any claims in a professional and timely manner.

## International Solutions

As businesses expand internationally, their exposure to new and complex risks increases.

We provide locally compliant coverage under one controlled master policy, making it easier for policyholders to manage their cover, premiums and claims in one place so they are always in control.

We know that establishing a best-in-class network with all parties sharing a common operational vision and culture is critically important to the success of a joined-up, multinational program.

# Why choose CNA?

Being international is core to who we are. Our clients choose us for our extensive worldwide network, broad product array, customer-focused underwriting and superior service.

## Global Reach

Our best-in-class network spans 200+ countries and territories and is built on a shared vision and culture, guaranteeing the same level of service wherever you do business.

## Specialist Solutions

CNA ComPass™ is an end-to-end global execution tool and comprehensive solution for international programs.

## Innovative Thinking

We believe in challenging the status quo to provide the best service and enhanced solutions for our customers.

## Local Presence

Our dedicated team focuses solely on providing innovative, tailored solutions for international organizations, underpinned by trusted, local Claims and Risk Control experts.

## Flexibility

Our team goes beyond basic program underwriting, developing bespoke structures that are both cost effective and compliant.

## Financial Strength

We are small enough to be nimble yet big enough to be a safe bet. We benefit from our strong financial ratings and platforms.

# Flexible, comprehensive solutions for businesses without borders
