

Commercial Roofing – Canada

Tailored Insurance Solutions for Industrial, Commercial and Institutional Roofing Contractors.

At CNA, we understand the challenges industrial, commercial and institutional (ICI) roofing contractors face each day. For more than 50 years, we have developed comprehensive, flexible insurance programs that address the specialized needs of ICI roofers across North America.

Our Commercial General Liability (CGL), Wrap-up, Property, Automobile, and Umbrella and Excess coverages address a broad spectrum of exposures and risks associated with commercial roofing systems, including hot and open flame applications. Our experienced team of underwriters, Risk Control consultants and Claim professionals efficiently delivers high levels of service and expertise to support roofing contractors.

Key Competitive Advantages

- Coverage for all commercial roofing systems and related operations, including:
 - Torch-on modified bitumen membrane installations
 - Hot asphalt built-up roofing
 - Single-ply, vegetative and photovoltaic roofing
- CGL coverage enhancements for:
 - Contractors Errors and Omissions
 - Building Material Replacement Expense
 - Limited Pollution, Fungi and Microbes coverage
 - Wrap-Up Difference in Deductible
 - Blanket Additional Insureds

Features

- Available capacity of \$10M for CGL and Umbrella and Excess coverages
- Ability to write stand-alone Umbrella coverages
- Minimum CGL deductible of \$10,000
- Ability to write supporting lines through our Commercial Package
 - Property coverages including contractors equipment and installation floaters; extra and expediting expense; blanket coverage for short-term leased, borrowed or rented equipment; builders risk
 - Commercial automobile fleet coverage for damage caused by owned, hired and non-owned vehicles

Key Benefits

Underwriting expertise

Our team of experienced underwriters provides tailored coverages that ensure current and emerging risks are covered.

International capabilities

Our International Solutions team provides expert guidance and adapts to complex policy requirements for multiple jurisdictions.

Superior customer service

Our teams work together to create comprehensive solutions that help policyholders mitigate risks, reduce claims and restore operations.

Outstanding claim handling

Our local Claim team delivers high service standards and fast response times.
