# eRiskHub<sup>®</sup>

Building a defence against evolving and varied cyber threats requires the right cybercrime mitigation tactics and attack response recommendations. CNA cyber policyholders receive access to eRiskHub<sup>®</sup>, an online web portal powered by NetDiligence<sup>®</sup>, loaded with tools and resources to help them understand their exposures, respond effectively and minimize the effects of a breach on their organizations.

## eRiskHub<sup>®</sup> Features and Benefits

- **Incident Roadmap** – Includes suggested steps to take following a network or data breach incident
- **News Center** – Cyber risk stories, security and compliance blogs, security news, risk management events and helpful industry links
- **Learning Center** – Best-practice articles, white papers and webinars from leading technical and legal practitioners
- **Security Training** – Vital cybersecurity awareness training resources to help create a security and privacy-centric organizational culture
- **Risk Manager Tools** – Assists in managing cyber risk including a self-assessment and U.S. state breach notification laws
- **eRisk Resources** – A directory to quickly find CNA-approved external resources with expertise in pre- and post-breach disciplines

## Crisis Center and Claim Reporting Capabilities

The eRiskHub<sup>®</sup> portal also serves as a cyber crisis center, providing policyholders with the information and technical resources they need to respond quickly and effectively to a data breach, privacy violation or other cyber incident. Should an incident occur, eRiskHub<sup>®</sup> also provides policyholders with CNA claim reporting contact information.

## About CNA CyberPrep
