# CNA Compass™

## A Strong, Diversified Network Including 226 Business Partners in 164 Countries and Growing

A growing number of companies with diverse global holdings are increasingly turning to CNA to insure their exposures. With partners in more than 164 countries around the globe, our strategic network allows us to service multi-national organizations with complex local policy requirements.

**CNA's Strategic Network Capabilities Include**

- Global leverage through locally owned branches and network partners around the globe
- Multiple partners within the same country to better serve our clients
- Flexibility of pricing and terms driven by controlling underwriter (subject to tariff)
- CNA Travel Assist - providing travel assistance to our insureds

**Real-time Policy Reporting**

CNA manages the local admitted policy issuance cycle with our network partners and CNA offices via the CNA ComPass™ platform. The policy issuance process is managed via this state-of-the-art platform which enables CNA to provide real-time policy issuance status as needed. We can provide this status for each local admitted policy that we arrange at any point in time in order to provide a truly global account management process for our insureds.
