oneworld+SM delivers innovative, market leading, distinctive coverages that meet the complex challenges and threats that businesses face today, with the promise of superior customer service.

Segments included:

We have used our expertise to design a suite of bespoke package products specifically for these organizations:

- Commercial
- Manufacturing
- Construction
- Technology
- Healthcare
- Oil & Gas
- Office

Our core coverage:

Our **oneworld+SM** suite is built on the foundation of the core coverages our partners expect from a combined product:

- Property
- Business Interruption
- Commercial General Liability
- Equipment Breakdown

- Crime
- VWCEL
- Umbrella
- Cyber
- Directors & Officers

With the ability to add additional coverages from our **oneworld+SM** suite, tailoring limits to reflect the needs of customers on a domestic or international basis.

International capabilities:

- We have the ability to offer innovative and specialized solutions for our **oneworld+SM** suite on an international basis.
- As part of our international offering, policies can be written across the U.S., Canada, Europe and Asia.
- Established market presence and long-standing relationships with over 4,500 brokers and agents worldwide and form part of CNA Financial Corporation's global network of more than 75 offices.

The CNA Canada difference

- Support services and customized educational materials, exposure guides, seminars, claims analysis and phone consultation on key topics including Product Liability and Infrared Thermography Services.

- Specialized risk control education to help customers identify and reduce their loss exposures from their everyday operations, through the CNA School of Risk Control Excellence (SORCE[®]).
- Business Continuity Planning through a network of internal Risk Control adjusters, who share our commitment to superior service. We can ensure that expert people, who understand your customer's business, are ready to respond when required.
- Product Safety and Recall Assessment.

Why choose CNA Canada?

- **Underwriting expertise:** Our team of experienced, expert underwriters provides a tailored solution to ensure that specific exposures and risks both current, and emerging, are covered.
- **International capability:** We write business for international operations, adapting to their requirements as they develop and grow with compliant cover for multiple jurisdictions.
- **Holistic service proposition:** We work together, across our teams to share knowledge and create a comprehensive solution for customers to mitigate their risks, reduce claims, and restore operations.
- **Outstanding claims handling:** Our local claims team means higher service standards and faster response times. Timely customer and partner communication is the core of what we do. We work with you to map out strategies, make the correct decisions and achieve the best possible outcome.
- **Proven track record:** We receive consistently high ratings from AM Best and Standard & Poor's proving our ability to deliver on our commitments.
