

Wine production is a delicate balance of soil, weather, grapes and geography, all managed under the expert eye of an experienced vintner.

CNA's Winery Extension Endorsement provides the unique coverage required by wineries, so their focus can remain on growing the finest quality grapes and creating the finest wines.

Our broad portfolio of products offers a variety of standard business insurance coverages needed to protect your client's business, such as property, casualty, automobile, inland marine and umbrella. Your local CNA underwriter combines broadened coverages and policies with the territorial knowledge and the decision-making authority to create customized solutions that are vital to the continued operation of a winery.
